

# Vancouver Linear Collider Workshop 19-22 July 2006

Conference Location:  
University of British Columbia Campus

Vancouver, British Columbia, Canada

The deadline for early registration  
(and reduced fee) is 1st June 2006,  
details at the workshop website.

Organised by  
**TRIUMF**

On behalf of the ALCPG and GDE, the local Organising Committee of the Vancouver Linear Collider Workshop, invites you to the July 2006 joint meeting of the American Linear Collider Physics Group and the International Linear Collider Global Design Effort - organised by TRIUMF. It will be held on the Campus of the University of British Columbia in Vancouver, Canada, from Wednesday July 19th to noon Saturday 22nd July.

The main meeting will open and close with joint plenary sessions held between. The main program starts early morning 19th July and finishes late afternoon 22nd July. Satellite meetings for "Communications/Outreach" on July 18th PM, and for "Detector Concepts" discussions on July 23rd AM, are planned.

The Vancouver ALCPG06 meeting is next in the continuing series of North American workshops on the physics, detector, and accelerator issues of the future International Linear Collider. The Vancouver GDE meeting will review progress with the ILC Reference Design Report (RDR) process.
